

INVITATION

Professor Jeremy Fairbank, Orthopaedic Consultant and Chairman of the
Patient and Research Engagement Forum (PREF)

Invites you to attend the 'JOINT VENTURES' lecture

On

Bone Infection Unit – How do you mend a bone infection?

By

Dr Ivor Byren

Tuesday 16th March 2010

At 6.00pm

In the Lecture Theatre

At the Nuffield Orthopaedic Centre

Lecture followed by refreshments in the atrium at 7.00pm

Please RSVP by Monday 15th March 2010

It would be very much appreciated if you could return the completed feedback questionnaire attached to this letter after the lectures.

Further details for each event will be available on the Joint Ventures website, nearer the date, which can be found at

<http://www.ndorms.ox.ac.uk/jointventures.php>

"To involve, inform and educate patients and the public in all aspects of musculoskeletal research in Oxford. To improve the relevance, quality and appropriateness of that research from the patient's perspective."

FEEDBACK QUESTIONNAIRE – TO BE COMPLETED FOLLOWING THE LECTURES ON

Tuesday 16th March 2010

Subject Areas:

Bone Infection Unit

How do you mend a bone infection?

- 1 Why did these topics appeal to you?**

- 2 What other related matters would you like to hear about?**

- 3 Are there areas of research that you think are not covered?**

- 4 Are there any other research topics that you would like to hear a talk on?**

- 5 Were you a patient at the NOC?**

- 6 Are you interested in being invited to future events at the hospital?**

- 7 How did you hear about the lectures?**

- 8 Did you find the presentations helpful in telling you something new about the subject?**
